Pentagon Corporation

Gitnang Bayan 1, San Mateo Rizal

Dear Mr. Zelda,

I hope you are doing well. I am writing to apply for the Web Designer position at Pentagon Corporation. I recently graduated from Pangasinan State University, Asingan Campus, with a Bachelor of Science in Information Technology, and I am eager to begin my career in programming.

During my studies, I developed a strong understanding of coding, photo editing, and video editing. I am also proficient in using Microsoft Office applications such as Word, Excel, and PowerPoint. Additionally, I had the opportunity to gain hands-on experience at Manila International Airport, Where I developed skills in multitasking, communication, and handling high workloads. Working in a fast-paced environment also strengthened my coding abilities under pressure.

I admire Pentagon Corporation for industry leadership, and I would love the opportunity to contribute to your team. I am eager to apply my skills, learn from experienced professionals, and grow within this role.

I would appreciate the opportunity to discuss how I can be a valuable addition to your team. Thank you for your time and consideration. I look forward to your response.

Best regards,

Eduardo Valdez
